

## Sleepy Hollow: a talk about Hitchin from 1974

In 1974, the Reverend Robert Tebbutt of Tilehouse Street Baptist Church made a slideshow on the history of Hitchin. His slides and recorded commentary were rediscovered in 2015 and turned into a YouTube video by Sam Hallas. Thanks to Hitchin Historical Society for sharing this, which is now itself an historical artefact, showing views of the town from almost half a century ago.
