

# BUTTON TREE DECORATIONS

## Recycled Christmas ideas

### You will need :

- Fishing line or strong thread
- Buttons of various colour and size
- Small bead (optional)

### Method :

- Sort out your buttons you need 3 small the same size then a big button followed by others getting smaller till you get to the top
- Starting with your trunk feed the line up one side of holes and the other end up the other side.
- Then add the bigger buttons one at a time starting with the biggest and ending with the smallest .

You can add a bead at the top both ends go through the hole and then you go back and go through again before knotting at the top .
