Make a top

You will need:

- Thin card
- A short pencil with a point
- Colouring pens
- A blob of plasticine or blue tack

- Cut the card into a circle at least 6 cm across (use a jar lid or unopened tin as a template).
- Mark the centre of the card by drawing two lines across the whole circle.
- Put the centre of the card on the plasticine.
- Push the point of the pencil through the exact middle of the circle.
- Push the pencil through the card till it is half way through.
- Colour the top in bright colours.
